

**CITY OF LEMON GROVE
COUNCILMEMBER CANDIDATE**

JESSYKA HEREDIA

OCCUPATION: SMALL BUSINESS OWNER

Jessyka Heredia is an East County native and has owned her own business in East County for 26 consecutive years.

For nearly 3 years she has selflessly volunteered to live stream and record the City Council meetings for the public because the City of Lemon Grove is the only city in East County that does not broadcast their meetings online or on a cable channel despite the city collecting over \$350,000 in public funds meant for just that.

In 2022 Jessyka re-opened the Lemon Grove Women's Club, called the Forward Club that originally was founded in 1913. Jessyka served as president from 2022-2024 gaining 38 members in that time, making the Forward club the largest service club in Lemon Grove.

Jessyka started a social media page for local Lemon Grove Business owners to generate more buzz locally and to keep our tax dollars in our city by promoting shopping local in Lemon Grove.

Jessyka is committed to fighting for families and businesses here in Lemon Grove. Her priorities are fixing the worse streets, especially those by parks and schools, addressing homelessness, creating a clean and safe city and bringing back accountability and transparency at City Hall.

Vote for Jessyka Heredia.
