

**CITY OF LEMON GROVE
MAYORAL CANDIDATE**

Liana LeBaron

OCCUPATION: COUNCILMEMBER / SALES PROFESSIONAL

A proud Lemon Grove Native, Mother and current Lemon Grove Councilmember that fights for the People to be heard

I am running for Mayor because I believe our City needs leadership willing to listen and accurately represent the People of Lemon Grove, not only from within the City but at the County level and beyond.

As the first elected Latina and youngest Woman elected to council, I have represented the everyday resident with conviction that has earned mass public support. I have fought for greater government transparency, Public fund accountability and city wide improvements that actually increase the value of our City and the quality of our lives.

We work hard for our families and it's time the City has a Mayor who works hard for them.

Band-aid ideas to address homelessness have proven ineffective, and I'll be advocating for solutions that actually address root causes of the societal issues our community faces. Let's work together to reopen the recreation and senior center, invest in our local economy, improve our downtown and bring our streets to a level of repair we deserve.

Let's do this Lemon Grove- Vote Liana LeBaron, la voz de la gente.
